

# EXTENDED HEARTS

Making a Difference in Communities All Over the World

## Services for Charities

Extended Hearts offers a variety of services that were developed to help causes, charities, and non-profit organizations raise more money with the help of our unique internet based platform. From [GiveNow](#) to [ProjectBuilder](#), Extended Hearts makes fundraising affordable, accessible, and effective, allowing donors to contribute to your cause with as little effort as possible.

## Which of Extended Hearts' services is right for you?

### Fundraising Pages

Let your supporters join in on the fun by starting their own Fundraising Page with Extended Hearts. Have them create a custom [Web Widget](#) to spread the news of your cause to family and friends. Great for participants of fundraising events such as walk-a-thons, marathons, etc., and best of all, it's absolutely FREE!

[Fundraising Pages Manual \(PPP\)](#)

### GiveNow

Choose from a vast selection of *GiveNow* buttons to add to your organization's website, allowing donors to make one time and re-occurring payments with a simple click of the mouse. Enjoy real-time payment processing, advanced fraud protection and monthly funds distribution with absolutely NO MERCHANT ACCOUNT REQUIRED! Sell tickets; thank your sponsors, and so much more. Let your donors give back by allowing them *GiveNow*!

### Connects

Communicate with members, friends, and colleagues through Extended Hearts' FREE social-networking feature, *Connects*, and bridge your organization's online and offline activities by allowing members to chat, share photos, participate in polls, receive event details, e-invitations, and MORE! [Join](#) a group today and see how Extended Hearts is working hand in hand, connecting hearts, and making a difference in communities all over the world.

## ProjectBuilder

For the small, grassroots organization looking to gain a web presence, to the mid-sized charity wanting to add on-line donation functionality to their website without the high costs, *ProjectBuilder* offers a means to bring your group's mission to the masses without breaking the bank. Real-time payment processing, advanced fraud protection and monthly funds distribution without the need for a costly merchant account! Build on your organization's success with ProjectBuilder!
